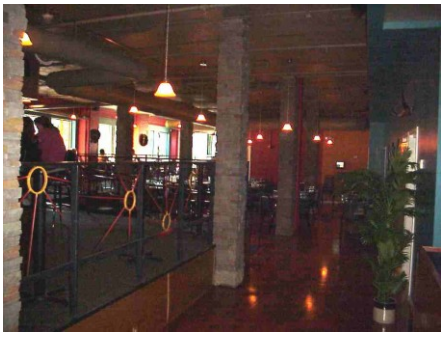
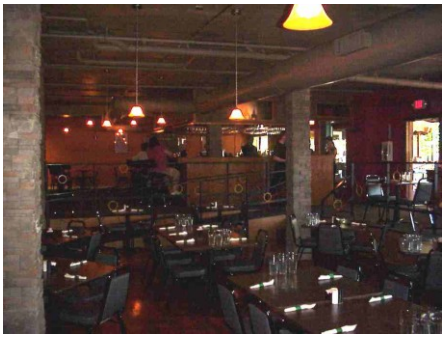
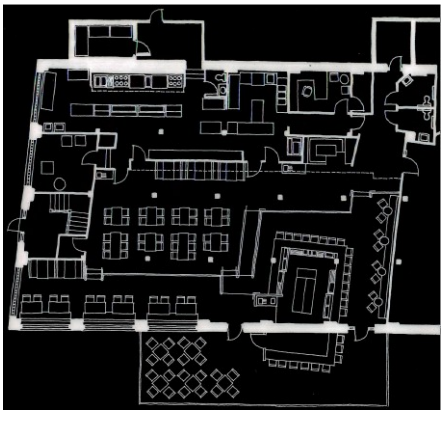
PROJECT DESCRIPTION

This 3,604 SF restaurant was a tenant build-out in a repurposed old factory complex known as The Village Gate, which is a converted pseudo-urban-mall-like area. The Village Gate is home to various independent shops, restaurants, salons, offices, and loft residences. This restaurant features indoor seating for 118, a bar, a seasonal outdoor bar and seating; along with the support areas for prep, cooking, washing and storage.







PARTICIPATION

All design and drawings were prepared by David Strabel independently which included design-grams and permit required construct-grams.
