PROJECT DESCRIPTION

This new 3,260 SF supervised community residence was designed to fit into its suburban context as an Independent Residential Alternative (IRA) in accordance with the requirements of the New York State Office of People with Developmental Disabilities (OPWDD). Designed for five developmentally disbled residents, the fully handicap accessible single floor program included informal open communal areas for cooking, eating and living; five sleeping rooms, two baths, enclosed rooms for support management and medicine dispensing, laundry and a garage large enough for loading a handicap van.

PARTICIPATION

All design and drawings were prepared by David Strabel independently which included design-grams and a full bid set of construct-grams complete with site work, mechanical and electrical drawings.
